Product			Red-bordered fields are required
Product (trade) name:			
Formulation type**:			<input type="checkbox"/> SB (soluble bag)
Intended activities according to major product classes:			
<input type="checkbox"/>	Bio-stimulant (direct effects on plant growth and/or development, e.g. phytohormonal activity)		
<input type="checkbox"/>	Bio-fertilizer (improved mineral nutritional status of the plant)		
<input type="checkbox"/>	Bio-control (Biological control of pathogens, pests and/or weeds)		
<input type="checkbox"/>	Others (free text):		
Active Ingredients (select and specify as clear as possible)			
<input type="checkbox"/>	Natural inorganic compounds:		
<input type="checkbox"/>	Natural organic compounds:		
<input type="checkbox"/>	Synthetic compounds:		
<input type="checkbox"/>	Viruses:		
<input type="checkbox"/>	Bacteria:		
<input type="checkbox"/>	Fungi:		
<input type="checkbox"/>	Algae:		
<input type="checkbox"/>	Plants:		
<input type="checkbox"/>	Nematodes:		
<input type="checkbox"/>	Mites (Acari):		
<input type="checkbox"/>	Insects:		
<input type="checkbox"/>	Others (free text):

Application mode:					
<input type="checkbox"/>	Irrigation	<input type="checkbox"/>	Stem injection		
<input type="checkbox"/>	Watering	<input type="checkbox"/>	Dusting		
<input type="checkbox"/>	Soil incorporation	<input type="checkbox"/>	Smoke formation		
<input type="checkbox"/>	Seed treatment	<input type="checkbox"/>	Fogging		
<input type="checkbox"/>	Spray	<input type="checkbox"/>	Vaporization		
<input type="checkbox"/>	Air-blast spray	<input type="checkbox"/>	Dipping		
<input type="checkbox"/>	Others (free text):				
Compatibility with other biological products and/or agro-chemicals (specify as clear as possible):					
Approvals, assessments and remarks					
Permitted in organic farming: <input type="checkbox"/> Yes <input type="checkbox"/> Evaluation in progress <input type="checkbox"/> Never will					
Specify organic input lists where the product is listed:					
Country	Organic input lists:				
Registration for: (please specify country and field of application; e.g. Germany, Pesticide)					
Assessments according to the principles of sound scientific practice and/or publications:					
Country	Year	Done by	Document name	Link	Languages
Remarks***:
